

# Friends of Scouting Corporate Referral

## Does your company provide support to charitable organizations?

We need your help identifying potential corporate sponsors to support our Scouts. Does your place of employment provide support to charitable organizations either financial or otherwise? If they do, we would greatly appreciate your help in filling out this FOS corporate referral form, and sending it to our council office. We will gladly follow up with the point of contact provided and let them know opportunities to support our Scouts.

We can always use financial support through corporate donations, but we also have opportunities to sponsor merit badges or work on projects at Camp Birch either on an ongoing basis or a day of teambuilding projects like clearing brush or building picnic tables.

**Questions and completed forms can be sent to Scout Executive, Rob Lavoie at [Rob.Lavoie@Scouting.org](mailto:Rob.Lavoie@Scouting.org).**
